

Property Leasing Requirement

JL Group

Established in 2015, JL Group specializes in plaster and Hebel works, emphasizing a commitment to precision, professionalism, and customer contentment in the residential construction sector.

Annually, JL Group showcases its expertise in plaster installations across a portfolio of more than 2,200 homes, partnering with prominent builders in the industry. Notable clients include AHB Group, Simonds, Mimosa, Kincaid, and Uniquebuild (Aus).

As the business has expanded beyond its current facilities, JL Group is actively seeking appropriate accommodations to support its growth.
